Details of change

Details of the closure	<p>The following pharmacy contractor has withdrawn from the Pharmaceutical List (pharmacy has closed):</p> <p>Lloyds Pharmacy Sainsbury's Store, 241-279 Finchley Road, Swiss Cottage, London, NW3 6LU</p>
Date of change	18 May 2018
Impacts of the change	<p>We do not anticipate the closure of the pharmacy will result in a gap in provision. There are three alternative pharmacies located less than 0.5 mile away which offer similar services to the closed pharmacy and are accessible by public transport. There remains one pharmacy in the locality offering extended hours.</p>
<p>It is deemed that a revised PNA would be a disproportionate response to the changes outlined in this Supplementary Statement.</p>	

This supplementary statement to the Camden Pharmaceutical Needs Assessment is issued in accordance with section 6(3) in Part 2 of the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013.
