other works are proposed.

Replacement of the existing 2 x DX condenser units with 3 x DX roof mounted condenser handling units.

Installation of 6no. antennas, 2no. 300mm dishes and ancillary development with ancillary works thereto all at roof level.

Variation of Condition 2 (Approved Plans) of planning permission 2021/6078/P dated 06/05/2022 for the change of use of the upper floor offices (Use Class E) to residential use (Use Class C3) to provide five residential units, the erection of a two storey, two bed dwelling with basement, and the erection of a first to third floor rear infill extension, plus other associated works. The variation seeks retrospective permission for the demolition of the chimney stack and permission for the erection of a two storey extension between the second and third floors including permission for associated façade/fenestration alterations, all in connection with the provision of ancillary residential floorspace.

Replacement of the existing 2 x DX condenser units with 3 x DX roof mounted condenser handling units.

Details of condition 4 (window schedule and window detail drawings) pursuant of Listed Building Consent 2023/1638/L dated 24/11/2023 for internal and external alterations to facilitate the use of the property as 4 x self-contained residential flats.

Installation of a glazed privacy screen and a retractable skylight on the rear extension at second-floor level to facilitate the use of the flat roof as a roof terrace.

Part-retrospective.
