Response

The council holds the information requested. The answers to your questions are below.

Please could I have the minutes and all other information pertaining to the meeting on 19th November 2020, to discuss a proposed extension to 51 Dobson Close.

Dear Jonathan

Let's not go back further on this matter at the moment feelings are v high clearly with our councillor

I know these types of cases are complex for us and we might need another process to ensure our decision making is transparent and not left on the shoulders of a NHM

We know there will be more of them . Which lawyer is the lead for us on these type of property cases would it be Aidan, Mike ?

Would like to get a call together to understand this case but work through our processes for future applications

Who do we need in the meeting ?

Lou can you set up please once we get feedback on who needs to be invited

Thanks

Mary
